Subject: Re: Docket No. 2007-466-C Syniverse Technologies, Inc. - Request for Extension

Mr. Butler,

My client, Syniverse Technologies Inc., has been in discussion with Peg Fox, John Bowen and members of the SC Telephone Coalition regarding its application for a certificate of public convenience and necessity to provide resold and facilities based local telecom services.

In light of these ongoing discussions, all parties agree that it would be extremely beneficial if *all due dates* on the hearing schedule relating to Syniverse and the Telephone Coalition's response to Syniverse's application be extended one week each.

For example, the most immediate due date is next Monday, February 18th upon which 25 copies of direct testimony is due. Because this testimony is now likely to change we are respectfully requesting that the due date be extended to February 25th.

Please let me know if you are agreeable to this request for due date extensions or if more information is required.

Thank you for your consideration.

Sidney
